CRHRA and the Albany Capital Center continue to monitor and adhere to all COVID-19 Guidelines recommended and/or enforced by New York State and the CDC. In the event such recommendations lead to the cancellation of an in-person event, CRHRA will host the 2022 Annual Conference virtually. Please be aware that your sponsorship may include a virtual component, should we need to go that route. You will be notified of a need to change the format at least 2 weeks prior to the event, at the latest.
